### Servant Leader Team (SLT)

SLT is a great chance for high school students grades 9-12 to grow both in their faith and their leadership skills. The servant leaders are asked to serve in a variety of ways on retreats, from on-stage skits to leading small groups. While Side by Side hopes that campers experience God's love through dynamic programming, often times the love of a servant leader is the most tangible expression of God's love that a camper will receive.

### Conduct

SLT participants are expected to be on their best behavior for the weekend. Servant leaders set the example for campers on the retreat, whether good or bad. Behavior problems of any kind will not be tolerated. SBS reserves the right to call parents and have students removed from retreats at the parent's expense.
